Arlene Clemsic

Office Manager & Legal Administrative Assistant

Arlene serves as Kelly IP's Office Manager and Legal Administrative Assistant. As our very first employee, Arlene has proven to be a truly dedicated professional and valued team member. Her tireless work ethic, job knowledge, and leadership have played a key role in helping our firm to grow and prosper. Arlene will continue to serve as Legal Administrative Assistant and take on additional tasks as needed. She brings to Kelly IP over 22 years of legal experience, including a wealth of knowledge about trademark law and legal practice gleaned from nearly a decade working with attorneys in the IP field, first at Oblon Spivak, then at Finnegan, Henderson, Farabow, Garrett & Dunner LLP, and now at Kelly IP. Before working in the IP field, Arlene worked in other areas of the law in West Virginia. In addition to her Legal Administrative Assistant work, Arlene will now take on the role of Office Manager, in recognition of all the responsibilities she has managed since the launch of Kelly IP.

Arlene moved to the DC area in 2006 with her husband, MSgt Jason Clemsic, a retired United States Air Force veteran.

Arlene graduated from the West Virginia Business College where she received an Associate's Degree in Business/Legal Studies.
